VALUABLE FEATURES

User friendly Easy implementation Reduced cycle time to implement a process Bonita Studio provides a more look & feel and flexibility for changing the process and forms

IMPROVEMENTS TO MY ORGANIZATION

BPM helps to automate complicated processes.

ROOM FOR IMPROVEMENT

It requires improvements for better look & feel and for flexibility in changing the code in the portal.

USE OF SOLUTION

It's been four years.

DEPLOYMENT ISSUES

No issues.

CUSTOMER SERVICE AND TECHNICAL SUPPORT

Customer Service: Good Technical Support: The community forums are very good for providing answers on technical issues.

OTHER ADVICE

It is a good product!
