WHAT IS MOST VALUABLE?

The valuable feature is the ability to work with the Veeam software to reduce the backup windows.

HOW HAS IT HELPED MY ORGANIZATION?

The benefits are more capacity in the backup server and the ability to retain backups.

WHAT NEEDS IMPROVEMENT?

I would like to see better integration with Veeam software.

WHAT DO I THINK ABOUT THE STABILITY OF THE SOLUTION?

It demonstrates high stability and it can integrative with Veeam and other HPE products such as 3PAR.

WHAT DO I THINK ABOUT THE SCALABILITY OF THE SOLUTION?

The scalability is very high and you can get more space if you need to grow.

HOW IS CUSTOMER SERVICE AND TECHNICAL SUPPORT?

I have not used technical support.

WHICH SOLUTIONS DID WE USE PREVIOUSLY?

We knew we needed to invest in this solution because we needed to fine-tune our backup windows.

WHICH OTHER SOLUTIONS DID I EVALUATE?

We are not evaluating other companies. When selecting a vendor, we look for reliability in the market, the capacity for growth, and how the company integrates their products.
