Consultant at a tech services company with 1,001-5,000 employees

Iker Alonso

WHAT IS OUR PRIMARY USE CASE?

It detects malware in such a way for important people to understand the threat.

HOW HAS IT HELPED MY ORGANIZATION?

It allows us to have better knowledge of the way people use the tool and how we can improve their workflows.

WHAT IS MOST VALUABLE?

The power of the engine The technical rate The detection rate is great. Staff can use it at different levels within the company.

WHAT NEEDS IMPROVEMENT?

I would like to see integration with other vendors going forward. Contacting other teams for sending information to partner organizations could be improved.

WHAT DO I THINK ABOUT THE STABILITY OF THE SOLUTION?

The stability is very good.

WHAT DO I THINK ABOUT THE SCALABILITY OF THE SOLUTION?

Right now, the scalability is limited.

HOW ARE CUSTOMER SERVICE AND TECHNICAL SUPPORT?

The technical support was excellent.
