### VALUABLE FEATURES:

**THE FEATURES I LOVED IS THE EASY WAY THE SOFTWARE ALLOWS YOU TO DESIGN YOUR OWN DASHBOARD AND THE PROFESSIONAL WAY IT DISPLAYS IT. ONE WOULD THINK THAT I WAS A GRAPHIC DESIGNER EVERY TIME I CREATE A DASHBOARD (WHICH I AM NOT).**

**THE IMPORT OF EXCEL FILES INTO MICROSTRATEGY AND THE EASE OF DATA MANIPULATION IS OUTSTANDING. GOOD JOB MICROSTRATEGY!**

### IMPROVEMENTS TO MY ORGANIZATION:

**THE RESULTS ARE NOT IN YET AS IT IS TOO EARLY TO TELL.**

### ROOM FOR IMPROVEMENT:

**DATA DICTIONARY IMPORT WOULD BE GREAT.**
