Consultant at Know Solutions

**it\_user383829**

### **VALUABLE FEATURES**

Business analytics CDE Flexible dashboard development Cube

### **IMPROVEMENTS TO MY ORGANIZATION**

I use Pentaho everyday in my company, creating new BI environments for my customers.

### **ROOM FOR IMPROVEMENT**

The ad-hoc reporting needs to be improved.

### **DEPLOYMENT ISSUES**

There were no deployment issues.

### **STABILITY ISSUES**

There have been no issues with the stability.

### **SCALABILITY ISSUES**

There have been no issues with the scalability.

### **CUSTOMER SERVICE AND TECHNICAL SUPPORT**

I've never had to use technical support.

### **INITIAL SETUP**

It was easy, and only took a few minutes.
