WHAT IS OUR PRIMARY USE CASE?

We use this solution for intranet, extranet, web site, content management, collaboration, integrations, eCommerce, inventory, portfolio, project, and process management.

HOW HAS IT HELPED MY ORGANIZATION?

This solution has given us better access, coordination, collaboration, and visibility. It is an enterprise system for many functions instead of multiple systems to support. Interactive intranet instead of static web pages, integration of other systems to include GIS. We also have better search capability.

WHAT IS MOST VALUABLE?

The most valuable features are the Integrations, web site, and search.

WHAT NEEDS IMPROVEMENT?

The areas of this solution that need improvement are the relationships between lists, cross-site web parts, and page-building tools.

FOR HOW LONG HAVE I USED THE SOLUTION?

I have been using this solution for nineteen years.
