Cathy Stevens

WHAT IS OUR PRIMARY USE CASE?

I use Sisense to provide monthly information to executives and our sales team.

HOW HAS IT HELPED MY ORGANIZATION?

Sisense has helped us to migrate core functions of our previous tool in less than 90 days. The sales team used this information when communicating with customers.

WHAT IS MOST VALUABLE?

I have found the dashboard creating feature helpful. It has allowed me to move my data to the cloud. The customer support and onboarding features have been great.

WHAT NEEDS IMPROVEMENT?

They should improve the filters to create downloaded data by moving them to the top of the dashboard.

FOR HOW LONG HAVE I USED THE SOLUTION?

Less than one year.

WHICH SOLUTIONS DID WE USE PREVIOUSLY?

It was used to replace our BI tool, which was expiring soon.
