WHAT IS MOST VALUABLE?

There is nothing valuable about this product.

WHAT NEEDS IMPROVEMENT?

Recently, we had a malware attack and considered looking at other cloud solutions because of this breach.

FOR HOW LONG HAVE I USED THE SOLUTION?

One to three years.

WHAT DO I THINK ABOUT THE SCALABILITY OF THE SOLUTION?

The scalability is perfect. It has an LDAP view.

HOW IS CUSTOMER SERVICE AND TECHNICAL SUPPORT?

The tech support is OK.

WHICH OTHER SOLUTIONS DID I EVALUATE?

We looked at Symantec.
