

# Trillium TS Quality

## Review From A Customer

From IT Central Station, the leading review site for enterprise technology solutions.

---

## Review by a Real User

Verified by IT Central Station

Managing Director with 51-200 employees

**it\_user157932**

### **VALUABLE FEATURES**

Ease of data profiling and discovery to uncover hidden data risks and issues. South African name and address parsing, geocoding and matching.

### **USE OF SOLUTION**

About 10 years.

### **DEPLOYMENT ISSUES**

None.

### **SCALABILITY ISSUES**

The only limitations are in terms of available disk space. Users should ensure that they cater for the necessary disk space for their application.

### **CUSTOMER SERVICE AND TECHNICAL SUPPORT**

Good – quick turn around and follow up if issues are not resolved immediately.

### **PREVIOUS SOLUTIONS**

No.

### **INITIAL SETUP**

Simple.

**Trillium TS Quality**
